

EVERYONE TAKE NOTE - The Book Club again will meet on Saturday so members who enjoy reading are welcome to come and join the companions in our lively discussion.

It will be **Saturday, November 4th at 1:30.**

VS

And All Things Mystery

You've got a choice - Read either book (or both!) We'll be discussing lots of topics like what draws readers to mysteries and made these two books bestsellers, does the mayhem & murder keep you awake at night, why you prefer detective stories vs legal thrillers, and can you cheer for an assassin.

Be prepared to answer that age-old question - If you were stranded on a desert island and could only have one mystery writer's books, who would it be?
